COMPANY OVERVIEW

Go Getter is a dynamic automotive and fleet services company and a wholly owned subsidiary of Uphiwekonke Holdings. The company delivers reliable, efficient, and cost-effective vehicle maintenance, repair, and fleet management solutions tailored for businesses, institutions, and fleet owners across South Africa.

Positioned at the intersection of automotive excellence and skills development, Go Getter is committed not only to keeping vehicles roadworthy and operational, but also to contributing meaningfully to the transformation and sustainability of the automotive sector.

OUR CORE SERVICES

Go Getter offers a comprehensive suite of automotive and fleet solutions, including;

- 01 Automotive Services
- 02 Fleet Management & Operational Support
- 03 Skills Development & Training

AUTOMOTIVE SERVICES

Key focus projects:

- ✓ Toyota Quantum (D4D)
- ✓ Diesel Bakkies; Hilux, Isuzi (Code 2/ used)
- ✓ Code 3/ Parts sales

- Mechanical repairs and routine vehicle servicing
- Diagnostic assessments and preventative maintenance
- Panel beating, spray painting, and bodywork restoration

02

FLEET MANAGEMENT & OPERATIONAL SUPPORT

- Fleet maintenance planning and execution
- Vehicle tracking and monitoring support
- Driver performance and safety support
- Fuel usage monitoring and cost-control solutions
- Booking and allocation of vehicles for business use
- Fleet compliance and roadworthiness support

03

SKILLS DEVELOPMENT & TRAINING

Beyond service delivery, Go Getter plays a critical role in automotive skills development. The company actively supports:

- Practical, hands-on training for TVET college students
- Workplace exposure for higher education learners
- Skills transfer aligned with industry standards and workplace readiness
- Development of future mechanics technicians, and fleet professionals

Through training partnerships and experiential learning programs, Go Getter contributes to youth empowerment, job readiness, and long-term industry sustainability.

OUR VALUE PROPOSITION

- ✓ **Operational Reliability:** Ensuring fleets remain safe, compliant, and roadworthy
- ✓ **Cost Efficiency:** Reducing downtime and operational costs through proactive maintenance
- ✓ **Integrated Solutions:** One partner for mechanical, bodywork, and fleet support
- ✓ **Skills Upliftment:** Developing the next generation of automotive professionals
- ✓ **Transformation & Impact:** Supporting inclusive growth within the automotive sector

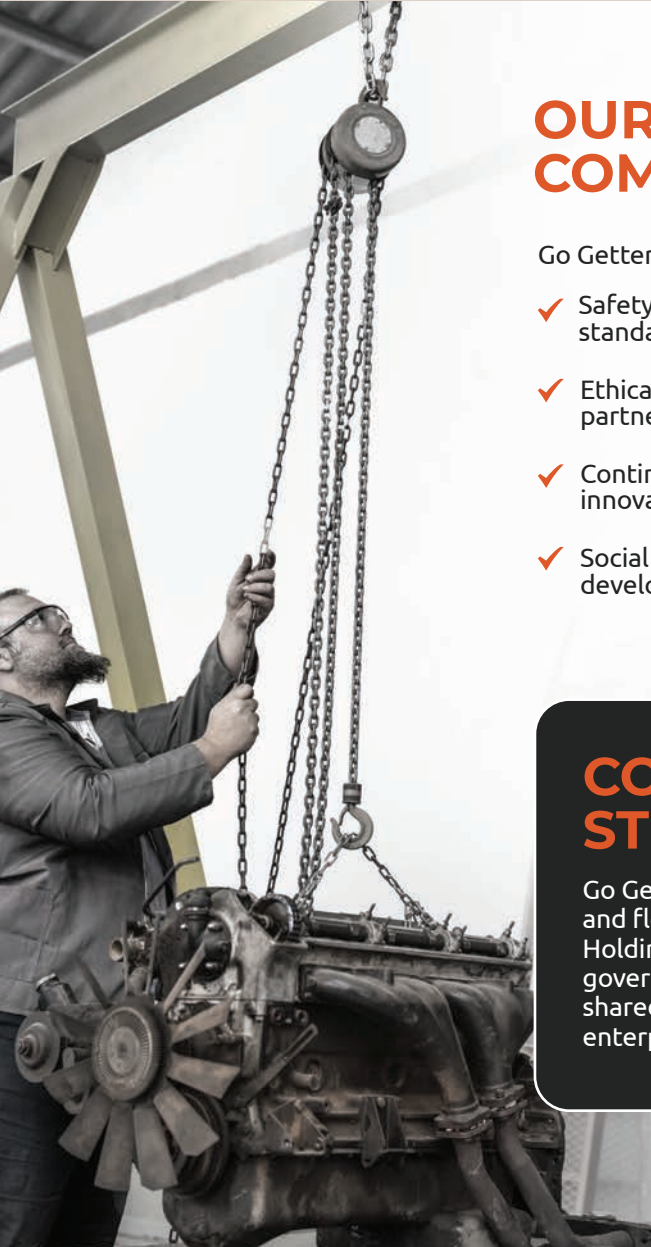

VISION ▶

To become a trusted leader in automotive and fleet management services, recognised for operational excellence, innovation, and meaningful contribution to skills development in South Africa.

MISSION ▶

To deliver high-quality automotive and fleet services that enhance vehicle performance, reduce operational risk, and empower future industry professionals through practical training and development.

OUR COMMITMENT

Go Getter is committed to:

- ✓ Safety, quality, and professional standards
- ✓ Ethical business practices and partnerships
- ✓ Continuous improvement and innovation
- ✓ Social impact through skills development and transformation

CORPORATE STRUCTURE

Go Getter operates as the automotive and fleet services arm of Uphiwekonke Holdings, benefiting from group governance, strategic oversight, and a shared commitment to sustainable enterprise development.
